Dear Mr Kwan,

Thank you very much for your letter. We do appreciate your efforts to clarify some of the confusion surrounding the teaching/learning of French after 334, particularly the question of the examination. We also think that it would be much easier if we could discuss all these issues face to face. We are asking whether you would agree to hold a meeting with all the stakeholders: EDB, the secondary school French teachers, the principals of the concerned schools, some parents and students representatives, a representative of AFLE (HK Association of French Teachers) and a representative of the French consulate.

Most of our colleagues wouldn't be free until 5:00pm, so could you please suggest 1 or 2 dates between Dec. 12 and 20, 2007, at 5:00pm at your headquarters?

Best regards,  
Jean-Luc Rey  
AFLE chairman
