

CONCOURS ORATOIRE GRAND SIECLE

- Video Submission instructions -

Before recording:

- Candidates should wear their school uniform (sports uniform not allowed) **or** a costume (directly related to the text they are reciting). This applies to every candidate except those whose school does not have a uniform.
- Wearing a mask during recording may affect the performance. Candidates are encouraged to shoot in a safe environment without a mask on. Candidates should take the responsibility of assessing their own health risks and follow the health advice from the Government.
- The performer in the video must be the person who enters the competition.

Recording the video:

- Start by announcing, **in French**, your name, the name of your school or learning institution (stipulated in the form you have registered), the title of the piece and the author of the piece.

Candidates will be disqualified if they fail to comply with the points below:

- The video must be a single shot video footage. No editing or post-production is permitted (such as adding soundtracks, audio, pictures, text, filters, transitions, colour adjustments, light adjustments, subtitles or special effects).
- The video must be recorded live and no dubbing is permitted.

Candidates' marks will be affected if they do not observe the points below:

- The audio and video should synchronise and the sound quality is clear and smooth.
- The resolution of the video should be at least 720p (1280x720) or above.
- The video should be stable without any camera movement.
- The shooting should be done indoors with sufficient light. The recording environment should be quiet.
- The entire video must clearly show the candidate's full-body, appearance and actions (portrait mode allowed).

Uploading video and Submission Form

- The period of submission of [the form](#) is **from April 1st, 2022 to April 24th, 2022 23:59**.
- Candidates should upload their video on the storage platform of their choice (Google Drive, Dropbox, Microsoft Onedrive, Youtube...) and submit the video URL via the [Video Submission Form](#).
- Candidates should reserve sufficient time for uploading the video and submitting the form to avoid heavy traffic. Any late submission will not be accepted.
- The video should be accessible until the results are announced. Candidates must ensure the video URL is accessible to everyone (public mode) after sending the submission form. If the video cannot be played during the period of adjudication (April-May 2022), regardless of the reasons, the candidates will be disqualified. AFLE will not inform the individuals if such a case arises.

Technical Support

- Should candidates have questions about video shooting or submission, they can contact Mr [David Martinez](#).
